**Position:** 00001656

Come join the team that's changing the face of public health. We are improving the health of Georgia one community at a time. District 2 Public Health (D2PH) serves 13 counties in northeast Georgia, including Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White counties. One of the fastest growing regions in the state, District 2 includes rural and urban communities with diverse public health challenges. At D2PH, we are focused on understanding community health challenges and developing smart solutions that allow us to make an impact in our community. We are a team of intelligent and committed individuals who are passionate about public health and serving northeast Georgia. If you want to make a difference in public health, you should join our team.

The Public Health Nurse Specialist serves the people of District 2 through clinical work in our county health departments. This is a highly stimulating position that affords extensive autonomy as nurses train and become public health experts who provide vital services in immunizations, infectious disease treatment and prevention, child health, women's health and many other areas of public health.

In addition to a competitive salary, we offer numerous paid training opportunities; flexible schedules; student loan forgiveness; and a generous benefits package that includes an employee retirement plan; deferred compensation; 12 paid holidays; 15 paid vacation and 15 paid sick leave days per year; and dental, vision, long-term care, and life insurance.

**JOB RESPONSIBILITIES:**

Under general supervision, provides professional nursing care in accordance with nurse protocols, policies and/or procedures. Focuses on the prevention of illness, injury or disability, the promotion of health and maintenance of the health of populations. Cares for population with special needs during disasters/emergencies and biological and chemical protocols.
