Come join the team that's changing the face of public health. We are improving the health of Georgia one community at a time. District 2 Public Health (D2PH) serves 13 counties in northeast Georgia, including Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White counties. One of the fastest growing regions in the state, District 2 includes rural and urban communities with diverse public health challenges. At D2PH, we are focused on understanding community health challenges and developing smart solutions that allow us to make an impact in our community. We are a team of intelligent and committed individuals who are passionate about public health and serving northeast Georgia. If you want to make a difference in public health, you should join our team.

JOB RESPONSIBILITIES:

Under general to limited supervision, performs in home comprehensive assessments of client's health care needs, and developmental screenings within the guidelines/standard operating procedures of the Children 1st/1st Care Programs. Develops comprehensive plans of care for 1st Care clients, and provides case management to patients/families consistent with the plan of care, program deliverables, and District 2 policies and procedures. Provides developmental screenings, patient education and counseling, advises caregivers, and makes necessary referrals for other social services.

Job Responsibilities:

1. Provide home visits to include comprehensive assessments, parent education, developmental monitoring and developmental screening per Children 1st/1st Care model of service delivery.
2. Provide developmental screening to all children, birth to age five years who have not been referred with a previously completed developmental screening.
3. Assure that all identified families receive Children 1st Maternal Child health (MCH) Integrated assessments per programmatic guidelines.
4. Complete 1st Care Head to Toe Nursing Assessment, Family Functioning Assessment Tool, and Plan of Care for client's enrolled in the 1st Care Program.
5. Counsels families regarding diagnosis, treatment plan and preventative care per 1st Care Plan of Care as it applies to 1st Care clients.
6. Refer identified infants and children to public health and community programs as appropriate.
7. Link all foster care and Child Abuse Prevention and Treatment Act (CAPTA) children to health check.
8. Ensure that all children receiving services are linked to a primary healthcare provider.
9. Refer all children with confirmed hearing loss for a genetic evaluation.
10. Complete Healthcare Insurance Claim Form (HICF) 1500 for eligible services provided to children enrolled in Medicaid per DSPS guidelines.
11. Complete all necessary documentation, both written and electronic, and reporting requirements by specified

- deadline or as determined by Children 1st District Coordinator.
12. Enter follow up actions, assessment, etc. into SENDSS NB.
 13. Check SENDSS and/or maintain a tickler system to monitor 1st Care clients at specified intervals as determined by Family Functioning Assessment Tool and Plan of Care.
