HEALTH (GA)**
invites applications for the position of:

Public Health Nurse Specialist

SALARY: \$47,000.00 - \$58,547.06 Annually

OPENING DATE: 02/16/18

CLOSING DATE: 03/02/18 11:59 PM

DESCRIPTION:

Location: Children With Special Needs/Children's Medical Services

Recruitment: This position is open to all qualified applicants.

Pay Grade: L

Position: 00002093

Come join the team that's changing the face of public health. We are improving the health of Georgia one community at a time. District 2 Public Health (D2PH) serves 13 counties in northeast Georgia, including Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White counties. One of the fastest growing regions in the state, District 2 includes rural and urban communities with diverse public health challenges. At D2PH, we are focused on understanding community health challenges and developing smart solutions that allow us to make an impact in our community. We are a team of intelligent and committed individuals who are passionate about public health and serving northeast Georgia. If you want to make a difference in public health, you should join our team.

The Public Health Nurse Specialist serves the people of District 2 through clinical work in our county health departments. This is a highly stimulating position that affords extensive autonomy as nurses train and become public health experts who provide vital services in immunizations, infectious disease treatment and prevention, child health, women's health and many other areas of public health.

In addition to a competitive salary, we offer numerous paid training opportunities; flexible schedules; student loan forgiveness; and a generous benefits package that includes an employee retirement plan; deferred compensation; 12 paid holidays; 15 paid vacation and 15 paid sick leave days per year; and dental, vision, long-term care, and life insurance.

JOB RESPONSIBILITIES:

Under broad supervision, provides professional nursing care in accordance with nurse protocols, policies and/or procedures. Focuses on the prevention of illness, injury, or disability, the promotion of health and maintenance of the health of populations. Cares for population with special needs during disasters/emergencies and biological and chemical protocols.

- Provide case management services for children with special needs age's birth to 21 years of age.
- Coordinate on site and off site children's medical services clinics.
- Assists with other clinics as needed.
- Pre-authorize CMS covered services for enrolled clients.
- Identify community resources to meet needs of clients and families.
- Conduct home visits for new and enrolled clients monthly to ensure plan of care is being followed.
- Conduct intake visit to determine eligibility for program.
- Participate in referral committee.
- Participates in gathering statistics for monthly/quarterly reports

MINIMUM QUALIFICATIONS:

Bachelor's degree in Nursing from an accredited college or university AND One year of PHN experience AND Current Georgia license to practice as a Registered Professional Nurse AND CPR certification OR Associate's degree/diploma in Nursing from an accredited college AND Two years of PHN experience AND Completion of a PHN course within one year of hire AND Current Georgia Registered Professional Nurse license AND CPR certification.

Preferred:

- Prior experience working with children with special needs.
- Prior case management experience or prior experience working with community resources.
