Pay Grade: L

Position: 00001558

****All qualified applicants will be considered, but may not necessarily receive an interview****

Come join the team that's changing the face of public health. We are improving the health of Georgia one community at a time. District 2 Public Health (D2PH) serves 13 counties in northeast Georgia, including Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White counties. One of the fastest growing regions in the state, District 2 includes rural and urban communities with diverse public health challenges.

At D2PH, we are focused on understanding community health challenges and developing smart solutions that allow us to make an impact in our community. We are a team of intelligent and committed individuals who are passionate about public health and serving northeast Georgia. If you want to make a difference in public health, you should join our team.

In addition to a competitive salary, we offer numerous paid training opportunities; flexible schedules; student loan forgiveness; and a generous benefits package that includes an employee retirement plan; deferred compensation; 12 paid holidays; 15 paid vacation and 15 paid sick leave days per year; and dental, vision, long-term care, and life insurance.

JOB RESPONSIBILITIES:

This position will supervise several district-level program coordinators including: HIV Prevention coordinator, Ryan White program coordinator, TB program coordinator, district epidemiologist, and the district pharmacy tech. This position will also be responsible for serving as the district STD program coordinator, and in that capacity they will develop program priorities and oversee the program budget. This position will provide (STD) clinical services in the 13 county health departments in this district (RN only) and train nursing staff to diagnose and treat STDs. This position will also be responsible for answering clinical questions about STD treatment and prevention as well as planning STD-prevention community outreach events. Supervises, guides, and/or instructs the work assignments of subordinate staff. Provides professional nursing care in accordance with nurse protocols, policies, and/or procedures (RN only). Focuses on the prevention of illness, injury, or disability, the promotion of health and maintenance of the health of populations. Cares for population with special needs during disasters/emergencies and biological and chemical protocols.
