**CLOSING DATE:** 04/06/20 11:59 PM

### **DESCRIPTION:**

**Location:** District 2 Public Health Regional Office, 1280 Athens Street, Gainesville, GA 30507

**Recruitment:** This position is open to all qualified applicants

**Pay Grade:** J

**Position:** 00160307

District 2 Public Health serves 13 counties in northeast Georgia, including Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White counties. One of the fastest growing regions in the state, District 2 includes rural and urban communities with diverse public health challenges.

The mission of public health is to promote and protect the health of people in Georgia wherever they live, work and play. We embrace this mission by serving individuals, families, and communities to improve their health and enhance their quality of life.

Come join the team that's changing the face of public health. We are improving the health of Georgia one community at a time. We are focused on understanding community health challenges and developing smart solutions that allow us to make an impact in our community. We are a team of intelligent and committed individuals who are passionate about public health and serving northeast Georgia. If you want to make a difference in public health, you should join our team.

*In addition to a competitive salary, we offer a generous benefits package that includes employee retirement plan, deferred compensation, 12 paid holidays, vacation & sick leave, dental, vision, long term care, and life insurance.*

### **JOB RESPONSIBILITIES:**

Under supervision, learns to provide technical assistance and training within a health care specialty. Plans, directs, and implements a specialty program. Evaluates programs for compliance with state and/or federal guidelines.

The District TB Coordinator is responsible for planning, organizing, implementing, and evaluating activities of the district TB control program, through the provision of programmatic care coordination of Tuberculosis clients in the District. The employee is responsible for the day-to-day operations of the program. For example, supplying anti-TB drugs, training health workers, and ensuring prompt, accurate screening and diagnosis; works with the supervisor on quality assurance, and serves as a specialized consultant on TB. Under general supervision, the incumbent exercises judgment and discretion in meeting program objectives.

### **ESSENTIAL DUTIES**

- Responsible for the overall smooth functioning of the TB program targeting the high-risk and hardest-to-reach populations.
- Ensure timely programmatic planning and reporting.
- Provides leadership, problem-identification, problem-solving, and encourages team efforts by conducting case review with TB
- Assesses program effectiveness in reaching established goals
- Assists with direct patient services when staff shortages require (must stay competent and comfortable with direct services)

## **MINIMUM QUALIFICATIONS:**

Master's degree in a related field from an accredited college or university OR Bachelor's degree in a related field from an accredited college or university AND Two years of experience performing work related to area of assignment OR Six years of experience performing work related to area of assignment. Note: Some positions may require licensure.

## **ADDITIONAL INFORMATION:**

To be considered for employment at District 2 Public Health you must complete an online application. This job application can be found at [www.dph.georgia.gov](http://www.dph.georgia.gov). Click on "About DPH" and then "Careers", locate position then click "Apply" to begin your application. Please make sure you have selected the specific job you are interested in and qualified for. You will receive an email or telephone call if you are selected to participate in the interview process. Please do not send hard copies of application materials. All information can be uploaded to the online system. Applications must include an email address and daytime phone number where applicant can be reached. Incomplete applications may not be considered.

Georgia Department of Public Health Commissioner and leaders encourages all employees to engage in regular wellness activities and to make lifestyle choices that promote health and well-being.

The use of wellness breaks during the workday is authorized to support this philosophy and assist employees in meeting their wellness goals. A maximum of 30 minutes in a given workday may be used to engage in wellness activities, generally in the form of two 15-minute breaks or one 30-minute break.

The candidate selected for this position may be subject to pre-employment drug screening and a criminal records check (fingerprinting). In accordance with Georgia's Drug Free Workplace Act, it has been determined that certain positions warrant pre-employment drug testing.

As an employee of D2PH, in the event of an identified emergency you may be required, as a term and condition of employment, to assist in meeting the emergency responsibilities of the department.

Due to the volume of applications received, we are unable to provide information on application status by phone or e-mail. All qualified applicants will be considered, but may not necessarily receive an interview. Selected applicants will be contacted by the hiring agency for next steps in the selection process. Applicants who are not selected will not receive notification.

This position is subject to close at any time once a satisfactory applicant pool has been identified.

District 2 Public Health is an Equal Opportunity Employer.
