^{**} We experienced a backlog report of cases for Union County on week 11/4/2022-11/10/2022.

EPI SUMMARY: Data source Georgia DPH and SendSS. Cases include all confirmed and probable cases. Population data source Oasis, 2019. Time frame as of 11/06/2020 to 9/28/2023. Vaccines introduced 12/19/2020 —decline noted in cases after vaccine implementation. Vaccine data includes number of vaccines administered in each county in District 2 and vaccines administered per 100,000 (of the total county population). Vaccine data also shows number of one dose received and percentage of residents as well as 2 doses received, and percentage of residents vaccinated.

^{*}Graph above shows weekly changes in COVID cases. The case rate reported in the graph is approximately half of the 14-day case rate.

^{*}Vaccine graph shows percentage of individuals vaccinated by age group.
