EPI SUMMARY: Data sources were Georgia DPH and SendSS. Cases include all confirmed and probable cases. Population data source was OASIS, 2022. Time frame as of 11/06/2020 to 2/8/2024. Vaccines introduced 12/19/2020—decline noted in cases after vaccine implementation. Vaccine data includes number of vaccines administered in each county in District 2 and vaccines administered per 100,000 (of the total county population). Vaccine data also shows number of one dose received and percentage of residents as well as 2 doses received, and percentage of residents vaccinated.

*Graph above shows weekly changes in COVID cases. The case rate reported in the graph is approximately half of the 14-day case rate. *Vaccine graph shows percentage of individuals vaccinated by age group. Vaccine data last updated by State on 01/24/24.

Georgia Flu Surveillance Update: Week 5 (Ending January 27, 2024)

As of Week 5, Georgia flu activity was High=10 (on the scale of 1-13). Activity levels are based on the percent of outpatient visits in Georgia due to Influenza-like illness during this timeframe.

For the corresponding week, the percentage of outpatient visits for Influenza-like Illness was 6.3% (which is above the regional baseline of 3.3%), the number of influenza-associated death was 0 (29 total for the current ILI season); the number of Metro Area Influenza Hospitalizations was 129 (3,518 total for current Flu season); and the number of Influenza Outbreaks was 24 (148 total for current Flu season).

Map shows Influenza-like cases in US southern region. Georgia activity indicator is at level 10 (High) on week 4 as shown in red color.

For week 5, the graph shows slight increase of ILI cases for age group 00-04, decrease for age groups 05-24, 25-49, 50-64 and age group 65+ remained stable compared to the previous week.

Getting the flu shot is the best thing you can do to protect yourself and others.

District 2 health departments have flu vaccines available. Please contact your local health department for information on how to get your Flu vaccine at http://phdistrict2.org/?page_id=597.

To learn more about how to protect yourself against flu, visit DPH website at https://dph.georgia.gov/epidemiology/influenza/seasonal-flu-influenza and CDC website at https://www.cdc.gov/flu/
